Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: BC inquired about placing the claims in a single application after-final to overcome the ODP rejection, and fixing the claims regarding 112, 2 para issues. BC noted that he would be adding more claims than cancelling after-final, and inquired if this would be acceptable. KCC agreed that this would advance prosecution and therefore be acceptable.

(A fuller description, if necessary, and a copy of the amendments which the examiner agreed would render the claims allowable, if available, must be attached. Also, where no copy of the amendments that would render the claims allowable is available, a summary thereof must be attached.)
